OFFICIAL NOTICE #1 - July24, 2009

1.0 AMENDMENT TO COURSES DIAGRAM – APPENDIX A

Note that the Courses Diagram has changed. This is to adjust for finish line angles, and to provide an alternate course option for running multiple divisions concurrently on different courses. These changes have been made to official documents, and posted on SWS website.

- 1.1 Marks Diagram has been changed so as to allow the inclusion of marker #6. This marker shall be the navigational marker as white square on pilings ashore, near the south end of "Bozo Beach." This marker shall be used only for finish line, and shall not be used as a mark of the course.
- 1.2 Course A: has been changed such that a second lap of the windward-leeward legs has been introduced. Course A will now be as follows: S-1-3-1-3-F; whereby (finish) F will now span RC-6.
- 1.3 Course B: has been changed such that (finish) F will now span RC-6.

2.0 AMENDMENT TO SAILING INSTRUCTIONS

- 2.1 Section 7 "The Start" has been amended to include the following:
"7.7 Competitors may not intentionally make contact with shore or other fixed objects any time after the 3 minutes horn and prior to Start."
- 2.2 Courses Diagram has been removed from Sailing Instructions and will be posted only as a separate Appendix document.

3.0 RIDER JERSEYS

It remains the responsibility of the individual racers to clearly display their rider number. Not adequately displaying rider number may result in a rider not being properly scored at finish, at the sole consequence and responsibility to the rider.

The SWS will be making available a limited supply of numbered jerseys for rider use, available on a first-come basis.

A donation of \$5 is appreciated to offset the jersey costs.
